FINDINGS OF FACT

I.

The Department is updating and enhancing the existing emissions inventory reporting system. Due to delays in providing for necessary system enhancements, the system will not be ready to receive data in time for users to meet all of the requirements associated with the March 31, 2009, reporting deadlines as outlined in LAC 33:III.919 and 5107.

II.

LAC 33:III.919.D and LAC 33:III.5107.A.1 allows the Department to establish deadlines other than March 31 of each year.

ADMINISTRATIVE NOTICE

Based on the foregoing, **it is hereby ordered that:**

I.

The deadline for submitting calendar year 2008 emission point level data and the Criteria Pollutant Emissions Certification Statement certifying facility criteria pollutant emission totals under LAC 33:III.919 is extended from March 31, 2009 to June 30, 2009.

II.

The deadline for submitting calendar year 2008 toxic air pollutant emissions data and the Toxic Air Pollutant Emissions Certification Statement certifying facility toxic air pollutant emission totals under LAC 33:III.5107.A is extended from March 31, 2009 to June 30, 2009.

III.

The deadline for submitting any discharge report required by LAC 33:III.5107.B.5 is extended from March 31, 2009 to June 30, 2009.

This **ADMINISTRATIVE NOTICE** is effective upon issuance.

Baton Rouge, Louisiana, this 21 day of January, 2009.
