

LOUISIANA FISHING AND SWIMMING ADVISORIES

Development of Louisiana's fish consumption and swimming advisories is a joint effort of the Louisiana Department of Environmental Quality, the Louisiana Department of Health, and the Louisiana Department of Wildlife and Fisheries. The agencies encourage all recreational fishers to be aware of and heed all advisory recommendations when enjoying Louisiana's fresh and saltwater fisheries.

To view the advisories, visit www.deq.louisiana.gov/fish-advisories, or download the app for Android or Apple devices by scanning the QR Codes below.
