RE: Basic Chemicals Company, LLC
Emission Reduction Credit (ERC) Balance Sheet
Agency Interest No. 3400

Dear Mr. Johnston:

Pursuant to LAC 33:III.613.B(2), Occidental Chemical Corporation (OxyChem) is submitting the attached ERC Bank Balance Sheet. The certifying statement required by §613.C is also attached. As noted on the balance sheet, OxyChem has two NO_x ERCs totaling 486.05 which expire on 04/01/14.

The former owner of the Geismar facility, Vulcan Chemicals, submitted an ERC Application in 2004 for the shutdown of its Methyl Chloroform unit. The attached ERC Bank Balance Sheet does not reflect the Methyl Chloroform ERCs, as the application has not yet been acted on.

If you have any questions or need any additional information, please contact me at (225) 474-2605.

Sincerely,

Linn E. Fink
Environmental Superintendent
