MS. ALMOND:

Good afternoon. My name is Laura Almond, and I'm employed by the Louisiana Department of Environmental Quality. I'll be serving as hearing officer this afternoon to receive comments regarding proposed amendments to the Air and Radiation Protection regulations as well as Act 454 of the 2018 regular session of the Louisiana Legislature.

The comment period for these amendments began on September 20, 2019, when the notice of intent was published in the Louisiana Register. The comment period will close at 4:30 p.m., November 6, 2019, for AQ373, RP063, and RP066. The comment period for 1909Pot2, 1909Pot3, and 1909Pot1 (Act 454 of the 2018 Regular Session of the Louisiana Legislature) will close today, October 30, 2019, at 4:30 p.m. It would be helpful to us if all oral comments received today were followed up in writing. Oral comments received today on Act 454 must be followed up in writing if you would like for

1 your comments to be submitted to the
2 legislative oversight committee.

3 This public hearing provides a forum
4 for all interested parties to present
5 comments on the proposed changes. This
6 hearing is not being conducted in a question
7 and answer format. Please remember that the
8 purpose of this public hearing is to allow
9 you, the public, an opportunity to express
10 your thoughts concerning today's proposed
11 amendments.

12 I'll ask that each person commenting
13 come up and sit at the front table and begin
14 by stating his or her name and affiliation
15 for the record.

16 The next item on our agenda is
17 designated by the Log Number 1909Pot1.

18 This hearing is being conducted in
19 compliance with Act 454 of the 2018 Regular
20 Session of the Louisiana Legislature. The
21 purpose of the hearing is to allow any
22 interested person the opportunity to comment
23 on any regulation contained in Title 33,
24 Environmental Quality, which the person
25 believes to be contrary to law, outdated,

1 unnecessary, overly complex, or burdensome.
2 In accordance with the statute, a notice of
3 this hearing was published in the Louisiana
4 Register at least 30 days prior to this
5 hearing.

6 The Department will consider fully all
7 written and oral comments; however, all oral
8 comments must be followed up in writing to
9 be submitted to the legislative oversight
10 committees.

11 Comments must be received by October
12 30, 2019, at 4:30 p.m.

13 Does anyone care to comment on this
14 item?

15 If not, the hearing on 1909Pot1 is
16 closed.

17 I'd like to thank you for your
18 attention and participation. This hearing
19 is closed.
