SETTLEMENT

The following Settlement is hereby agreed to between Five-Jab, Inc. (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owned and/or operated oil and gas production facilities located in Plaquemines Parish and Calcasieu Parish, Louisiana (“the Facilities”).

II

On July 23, 2015, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-15-00028, which was based upon the following findings of fact:

“On or about June 23, 2015, a file review of **EAST DRAKES BAY PRODUCTION FACILITY (AI# 84645)** (the facility), an oil and gas production facility, owned and/or operated by **FIVE-JAB, INC. (RESPONDENT)**, was performed to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Air Quality Regulations. The facility is located at 35667 Louisiana Highway 23 E, 0.7 miles southeast of Buras in Plaquemines Parish,

Louisiana. The facility operates under Minor Source Permit No. 2240-00189-01, issued on or about October 20, 2009.

While the investigation by the Louisiana Department of Environmental Quality (the Department) is not yet complete, the following violations were noted during the course of the file review:

- A. In correspondence postmarked September 11, 2014, the Respondent submitted a Notification of Change Form (NOC-1) for the May 1, 2014 purchase of the facility. The failure to submit notification within forty-five (45) days after the date of change is a violation of LAC 33:III.517.G, LAC:III.501.C.4 and La. R.S. 30:2057(A)(2).
- B. In correspondence postmarked September 11, 2014, the Respondent submitted a NOC-1 for the May 1, 2014 purchase of the facility. The Department transferred the facility's permit to the Respondent with an effective date of September 25, 2014. The Respondent operated the facility without an effective air permit from the purchase date until the date the permit was made effective. The operation, without a valid air permit, of any facility which will, or ultimately may, result in emission of air contaminants is a violation of LAC 33:III.501.C.2, LAC 33:III.501.C.4, La. R.S. 30:2057(A)(1) and 30:2057(A)(2).

On or about June 23, 2015, a file review of **TEMPLE-INLAND 25 #1 TANK BATTERY (AI# 126529)** (the facility), an oil and gas facility, owned and/or operated by **FIVE-JAB, INC. (RESPONDENT)**, was performed to determine the degree of compliance with the Act and the Air Quality Regulations. The facility is located seven and one-half miles south of Dequincy in Calcasieu Parish, Louisiana. The facility operates under Minor Source Permit No. 0520-00349-01, issued on or about October 8, 2010.

While the investigation by the Department is not yet complete, the following violations were noted during the course of the file review:

- A. In correspondence postmarked September 11, 2014, the Respondent submitted a NOC-1 for the April 1, 2014 purchase of the facility. The failure to submit notification within forty-five (45) days after the date of change is a violation of LAC 33:III.517.G, LAC:III.501.C.4 and La. R.S. 30:2057(A)(2).

B. In correspondence postmarked September 11, 2014, the Respondent submitted a NOC-1 for the April 1, 2014 purchase of the facility. The Department transferred the facility's permit to the Respondent with an effective date of September 25, 2014. The Respondent operated the facility without an effective air permit from the purchase date until the date the permit was made effective. The operation, without a valid air permit, of any facility which will, or ultimately may, result in emission of air contaminants is a violation of LAC 33:III.501.C.2, LAC 33:III.501.C.4, La. R.S. 30:2057(A)(1) and 30:2057(A)(2)."

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of THREE THOUSAND AND NO/100 DOLLARS (\$3,000.00), of which One Thousand Twenty-Six and 30/100 Dollars (\$1,026.30) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the permit record(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Plaquemines Parish and Calcasieu Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
