SETTLEMENT

The following Settlement is hereby agreed to between AAR Aircraft Services, Inc. (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owns and/or operates a facility located in Lake Charles, Calcasieu Parish, Louisiana (“the Facility”).

II

On July 1, 2016, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. HE-PP-16-00143, which was based upon the following findings of fact:

“On or about December 15, 2015, an inspection of **AAR AIRCRAFT SERVICES**, owned and/or operated by **AAR AIRCRAFT SERVICES, INC. (RESPONDENT)**, was performed to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Hazardous Waste Regulations. The facility is located at 1945 Merganser Street in Lake Charles,

Calcasieu Parish, Louisiana. The Respondent is notified as a Large Quantity Generator of hazardous waste and operates under EPA identification number LAR000043737.

While the investigation by the Louisiana Department of Environmental Quality (the Department) is not yet complete, the following violations were noted during the course of the inspection:

- A. The Respondent failed to notify the Office of Environmental Services within seven (7) days if any of the information submitted in the application for the identification number changes, in violation of LAC 33:V.1105.B. Specifically, the facility hired a new hazardous waste site contact in October 2015 but failed to update the HW-1. An HW-1 was received by the Department on December 21, 2015 updating the hazardous waste site contact; therefore this violation has been addressed.
- B. The Respondent failed to have a contingency plan designed to minimize hazards to human health or the environment from fires, explosions, or any unplanned sudden or non-sudden release of hazardous waste or hazardous waste constituents to air, soil, or surface water, as specified in LAC 33:V.1513, in violation of LAC 33:V.1109.E.1.e. Specifically, the facility did not have a contingency plan in place at the time of the inspection. A full copy of the contingency plan was provided to the Department on March 4, 2016, therefore this violation has been corrected.
- C. The Respondent failed to develop and retain onsite a waste minimization plan certified by a Louisiana registered professional engineer, as specified in LAC 33:V.2245.J and LAC 33:V.2245.K, in violation of LAC 33:V.1109.E.1.e. Specifically, the facility did not have a waste minimization plan in place at the time of the inspection. A full copy of the waste minimization plan was provided to the Department on February 25, 2016.”

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of

FIVE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$5,500.00), of which One Hundred Fifty-One and 56/100 Dollars (\$151.56) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Calcasieu Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
