PROCEEDINGS UNDER THE LOUISIANA	*
ENVIRONMENTAL QUALITY ACT	*
LA. R.S. 30:2001, <u>ET SEQ.</u>	*

SETTLEMENT

The following Settlement is hereby agreed to between Infinity Petroleum LLC (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a limited liability company that owned and/or operated a retail service station located in New Orleans, Orleans Parish, Louisiana (“the Facility”).

II

On January 3, 2018, the Department issued to Respondent Notice of Potential Penalty, Enforcement No. UE-PP-17-00464 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of THREE THOUSAND AND NO/100 DOLLARS (\$3,000.00), of which One Thousand One Hundred Sixty-Eight and 43/100 Dollars (\$1,168.43) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Orleans Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made in eleven payments. The first payment of \$1,500.00 is to be made within ten (10) days from notice of the Secretary's signature. The remaining ten (10) installments of \$150.00 shall be paid monthly thereafter. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

**RE: NOTICE OF POTENTIAL PENALTY
ENFORCEMENT TRACKING NO. UE-PP-17-00464
AGENCY INTEREST NO. 77183**

Dear Sir:

On or about March 28, 2017, an inspection of **TULANE SHELL**, a retail service station, owned and/or operated by **INFINITY PETROLEUM LLC (RESPONDENT)**, was performed in response to a citizen complaint to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Underground Storage Tanks Regulations. The facility is located at 3327 Tulane Avenue in New Orleans, Orleans Parish, Louisiana. The facility is registered with the Department and is assigned facility identification number 36-008423.

While the investigation by the Louisiana Department of Environmental Quality (the Department) is not yet complete, the following violation was noted during the course of the inspection:

- A. The Respondent failed to immediately report to the Department a spill or overflow of petroleum that has resulted in a release to the environment that exceeds twenty-five (25) gallons and results in an emergency condition in accordance with LAC 33:I.Chapter 39, in violation of LAC 33:XI.713.A.1. Specifically, a spill of approximately thirty-five (35) gallons of gasoline due to a cracked dispenser hose occurred on or about March 19, 2017. Gasoline was sprayed from the failed dispenser hose onto the individual pumping fuel, his car, and the concrete. The New Orleans Fire Department was called in response to the incident. The Fire Department placed sand on the spill which reached Tulane Avenue but did not enter the storm water drain. No attendant was present at the facility at the time of the spill. On or about March 23, 2017, the Department received a citizen complaint from the individual involved in the incident. The Respondent became aware of the spill after

being contacted by the Department following receipt of the citizen complaint. On or about April 6, 2017, the Department received written notification of the spill from the Respondent. The Department verified that the Respondent replaced the cracked dispenser hose and properly disposed of the sand. This violation was addressed.

- B. The Respondent failed to submit a follow-up written report to the Department within seven (7) calendar days following the spill or overfill in accordance with LAC 33:I.3925, in violation of LAC 33:X1.713.B. Specifically, a spill of approximately thirty-five (35) gallons of gasoline occurred on or about March 19, 2017, and the Respondent did not submit a follow-up written report to the Department on or before March 25, 2017. On or about April 6, 2017, the Department received written notification of the spill from the Respondent. This violation was addressed.

Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

Prior to the issuance of any additional appropriate enforcement action, you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Jennifer Boudreaux at (225) 219-3636 within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**.

The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance in order to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violations to the above named contact person within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify this statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

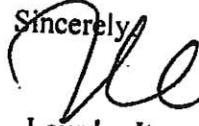

For each violation described herein, the Department reserves the right to seek civil penalties and the right to seek compliance with its rules and regulations in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties and compliance.

The Department assesses civil penalties based on LAC 33:I.Subpart1.Chapter7. To expedite closure of this **NOTICE OF POTENTIAL PENALTY**, the Respondent may offer a settlement amount to resolve any claim for civil penalties for the violation(s) described herein. The Respondent may offer a settlement amount, but the Department is under no obligation to enter into settlement negotiations. The decision to proceed with a settlement is at the discretion of the Department. The settlement offer amount may be entered on the attached "**NOTICE OF POTENTIAL PENALTY REQUEST TO SETTLE**" form. The Respondent must include a justification of the offer. **DO NOT** submit payment of the offer amount with the form. The Department will review the settlement offer and notify the Respondent as to whether the offer is or is not accepted.
