SETTLEMENT

The following Settlement is hereby agreed to between Arcadia Gas Storage, LLC (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a limited liability company that owns and/or operates a natural gas compression and storage facility located in Arcadia, Bienville Parish, Louisiana (“the Facility”).

II

On July 24, 2018, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. AE-CN-16-01116 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of SEVEN THOUSAND AND NO/100 DOLLARS (\$7,000.00), of which Nine Hundred Eighty-Eight and 31/100 Dollars (\$988.31) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing

to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Bienville Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

This CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is issued by the Louisiana Department of Environmental Quality (the Department), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, et seq., and particularly by La. R.S. 30:2025(C), 30:2050.2 and 30:2050.3(B).				
FINDINGS OF FACT				
An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.				
I.	The Respondent owns and/or operates Arcadia Gas Storage Station (the Site), a natural gas compression and storage facility, located at 2110 Saline Ridge Road in Arcadia, Bienville Parish. The facility operates or has operated under Air Permit No. 0360-00705-03.			
	Date of Violation	Description of Violation		
II.	Inspection(s) February 24, 2016	At the time of the inspection, two (2) Thermal Oxidizers each rated at 1.5 million British thermal units per hour (MM BTU/hr) were at the Site; however, Air Permit No. 0360-00705-02 permitted one (1) Thermal Oxidizer (EQT 0016) rated at three (3) MM BTU/hr. According to Air Permit No. 0360-00705-03, the previous permit incorrectly represented the two (2) thermal oxidizers as a single unit. The operation of an unpermitted emission source is a violation of LAC 33:III.501.C.2 and La. R.S. 30:2057(A)(2). The failure to properly list the equipment in the permit application prior to construction, reconstruction, or modification is a violation of LAC 33:III.501.C.1, and La. R.S. 30:2057(A)(1) and 30:2057(A)(2). The unpermitted Thermal Oxidizer was added as EQT 0018 (TO-2 Thermal Oxidizer 2) and rated at 1.5 MM BTU/hr in Air Permit No. 0360-00705-03, issued on December 7, 2016. Additionally, EQT 0016 was correctly rated at 1.5 MM BTU/hr.		
III.	File Review April 13, 2018	The 2017 Annual Report of Emissions for CRG 0002 (Caterpillar G3616LE Compressors NGC-3, NGC-4, and NGC-5) dated and postmarked March 29, 2018 included the normal operating hours for 2016. Specific Requirement No. 25 requires an annual report to be submitted by the 31 st of March of the preceding year and was included as a requirement in Air Permit No. 0360-0075-03, issued December 7, 2016. The 2016 report for CRG 0002 was due March 31, 2017 and was submitted 363 days late. The failure to submit the normal operating hours for CRG 0002 by the deadline is a violation of Specific Requirement 25 of Air Permit No. 0360-00705-03, LAC 33:III.501.C.4 and La. R.S. 30:2057(A)(2).		
IV.	File Review April 13, 2018	The 2017 Annual Report of Emissions for EQT 0006 (GDC-1-Dehydrator Unit #1 Column Vent) dated and postmarked March 29, 2018 included the normal operating hours for 2016. Specific Requirement No. 31 requires an annual report to be submitted by the 31 st of March of the preceding year and was included as a requirement in Air Permit No. 0360-0075-03, issued December 7, 2016. The failure to submit the normal operating hours for EQT 0006 by the deadline is a violation of Specific Requirement 31 of Air Permit No. 0360-00705-03, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).		
V.	File Review April 13, 2018	The Department has no record of receiving a report that included the hours EQT 0016 operated out of its permitted range in 2016. The report deadline was March 31, 2017. The failure to submit the hours that EQT 0016 operated out of range is a violation of Specific Requirement 57 of Air Permit No. 0360-00705-03, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).		
VI.	File Review April 13, 2018	The Department has no record of receiving a report that included the hours EQT 0018 operated out of its permitted range in 2016. The report deadline was March 31, 2017. The failure to submit the hours that EQT 0018 operated out of range is a violation of Specific Requirement 64 of Air Permit No. 0360-00705-03, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).

V.	The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this COMPLIANCE ORDER shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this COMPLIANCE ORDER becoming a permanent part of its compliance history.
VI.	Civil penalties of not more than thirty-two thousand five hundred dollars (\$32,500) may be assessed for each day of violation.
