SETTLEMENT

The following Settlement is hereby agreed to between City of Baton Rouge (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a governmental entity that owns and/or operates a facility located in Baton Rouge, East Baton Rouge Parish, Louisiana (“the Facility”).

II

On March 26, 2015, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. AE-CN-14-00519 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of THREE THOUSAND AND NO/100 DOLLARS (\$3,000.00), of which Six Hundred One and 32/100 Dollars (\$601.32) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in East Baton Rouge Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

CONSOLIDATED
COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY

The following **CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY** is issued to the **CITY OF BATON ROUGE (RESPONDENT)** by the Louisiana Department of Environmental Quality (the Department), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, et seq., and particularly by La. R.S. 30:2025(C), 30:2050.2 and 30:2050.3(B).

FINDINGS OF FACT

I.

The Respondent owns and/or operates the East Baton Rouge Parish Renewable Energy Center – Devil’s Swamp located on Thomas Road, west of Louisiana Highway 61, Baton Rouge, East Baton Rouge Parish, Louisiana. The facility was the primary city and parish municipal solid waste landfill that was closed in 1993 and permanently covered with a soil cap. Currently, the facility is equipped with a gas collection and control system to process landfill gas (LFG). The Respondent operated the facility under Title V Air Permit No. 0840-00174-V3 issued on January 20, 2009, which expired on January 20, 2014. The Respondent submitted a permit renewal application to the Department on or about April 17, 2014, and Title V Air permit No. 0840-00174-V4 was issued on August 29, 2014.

II.

On or about February 6, 2015, the Department conducted a file review for the facility to determine compliance with Title V Air Permit No. 0840-00174-V3 and the Air Quality Regulations.

While the Department's investigation is not yet complete, the following violations were discovered during the course of the file review:

- A. On or about September 1, 2011, the Respondent submitted the facility's 2011 Title V First Semiannual Monitoring Report. The report stated that the Respondent failed to operate the collection system with a negative pressure at the wellhead of Well DSLEW051 from April 21, 2011, to May 20, 2011. This failure to properly operate the collection system is a violation of Title V Air Permit No. 0840-00174-V3 Specific Requirement 41, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).
- B. On or about March 30, 2012, the Respondent submitted the facility's 2011 Title V Second Semiannual Monitoring Report. The report stated that the Respondent failed to operate the interior wellhead of Well DSLEW051 with an oxygen level less than five (5) percent from September 9, 2011, to October 25, 2011. This failure to properly operate the wellhead is a violation of Title V Air Permit No. 0840-00174-V3 Specific Requirement 41, LAC 33:III.501.C.4, and La. R.S.30:2057(A)(2).
- C. On or about March 30, 2012, the Respondent submitted the facility's 2011 Title V Second Semiannual Monitoring Report. The report stated that the Respondent failed to operate the collection system with a negative pressure at the wellhead of Well DSLEW021 from September 7, 2011, to October 10, 2011. This failure to properly operate the collection system is a violation of Title V Air Permit No. 0840-00174-V3 Specific Requirement 41, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).
- D. The Respondent failed to submit a timely permit renewal application no less than 180 days prior to the expiration of Title V Air Permit No. 0840-00174-V3 on January 20, 2014. Specifically, the Respondent submitted their permit renewal application on or about April 17, 2014, approximately 267 days after the latest required due date of July 24, 2013. This failure to submit a timely permit renewal application is a violation of Title V Air Permit No. 0840-00174-V3 General Condition A, LAC 33:III.507.E.4, LAC 33:III.501.C.4 and La. R. S. 30:2057(A)(2).

- E. The Respondent operated the facility without a permit. Because the Respondent failed to submit a timely permit renewal application, the permit was not administratively extended after the expiration date of January 20, 2014. Therefore, the Respondent operated the facility without a permit since that date until Title V Air Permit No. 0840-00174-V4 was issued on August 29, 2014. The operation of the facility, which ultimately may have resulted in an initiation or increase in emission of air contaminants, without a valid air permit is a violation of LAC 33:III.501.C.2, La. R.S.30:2057(A)(1) and 30:2057(A)(2).

COMPLIANCE ORDER

Based on the foregoing, the Respondent is **hereby ordered**:

I.

To take, immediately upon receipt of this **COMPLIANCE ORDER**, any and all steps necessary to meet and maintain compliance with the Air Quality Regulations, including, but not limited to, properly operating interior wellheads and complying with all Title V monitoring and reporting requirements.

III.

To submit to the Enforcement Division, within thirty (30) days after receipt of this **COMPLIANCE ORDER**, a written report that includes a detailed description of the circumstances surrounding the cited violation(s) and actions taken or to be taken to achieve compliance with the Order Portion of this **COMPLIANCE ORDER**. This report and all other reports or information required to be submitted to the Enforcement Division by this **COMPLIANCE ORDER** shall be submitted to:

THE RESPONDENT SHALL FURTHER BE ON NOTICE THAT:

I.

The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this **COMPLIANCE ORDER**. This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this **COMPLIANCE ORDER**.

II.

The request for an adjudicatory hearing shall specify the provisions of the **COMPLIANCE ORDER** on which the hearing is requested and shall briefly describe the basis for the request. III.

Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this **COMPLIANCE ORDER** may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Department's Rules of Procedure. The Department may amend or supplement this **COMPLIANCE ORDER** prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.

IV.

This **COMPLIANCE ORDER** shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.

V.

The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this **COMPLIANCE ORDER** shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this **COMPLIANCE ORDER** becoming a permanent part of its compliance history.

VI.

Civil penalties of not more than twenty-seven thousand five hundred dollars (\$27,500) for each day of violation for the violation(s) described herein may be assessed. For violations which occurred on August 15, 2004, or after, civil penalties of not more than thirty-two thousand five hundred dollars (\$32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this **COMPLIANCE ORDER** and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars (\$50,000) for each day of continued violation or noncompliance.

VII.

For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.

NOTICE OF POTENTIAL PENALTY

I.

Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

II.

Prior to the issuance of additional appropriate enforcement action(s), you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Richard LeBlanc at (225) 219-3165 within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**.

III.

The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violation(s) to the above named contact person within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**. Include with your statement of monetary benefits the method(s) you

utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify that statement.
