SETTLEMENT

The following Settlement is hereby agreed to between Grey Rock Resources LLC (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a limited liability company that owns and/or operates a bulk petroleum terminal located in Lake Charles, Calcasieu Parish, Louisiana (“the Facility”).

II

On April 27, 2020, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-19-00793 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of TWO THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$2,500.00), of which Nine Hundred Twenty-Eight and 30/100 Dollars (\$928.30) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Calcasieu Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

FINDINGS OF FACT

An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.

I.	The Respondent owns and/or operates the Lake Charles Facility, a bulk petroleum terminal, located at 1221 North First Avenue in Lake Charles, Calcasieu Parish, Louisiana. The facility currently operates under Title V Permit No. 0520-00147-V1 issued on September 27, 2018.	
	Date of Violation	Description of Violation
II.	File Review 1/30/2020	The Respondent failed to submit a complete Criteria Pollutant Emissions Inventory Certification Statement for 2018 by the April 30, 2019 deadline. The certification statement was postmarked on October 8, 2019. This is a violation of LAC 33:III.919.F.1.d, Specific Requirement 41 of Title V Permit No. 0520-00147-V1, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).
III.	File Review 1/30/2020	The Respondent failed to submit a timely 2019 Title V First Semiannual Monitoring Report. Specifically, the Respondent submitted the 2019 Title V First Semiannual Monitoring Report on January 14, 2020, which is later than the September 30, 2019 due date. This is a violation of Specific Requirement 38 of Title V Permit No. 0520-00147-V1, LAC 33:III.535 General Condition K, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).

Specifically, the inspector noted that the Respondent failed to record tank seal inspections for T7 - Crude Oil Tank (EQT0016), T3 - Crude Oil Tank (EQT0017), T4 - Crude Oil Tank (EQT0018), and T55 - Crude Oil Tank (EQT0019) in 2018. This is a violation of Specific Requirement 22 of Title V Permit No. 0520-00147-V1, 40 CFR 60.115b(a)(2) which language has been adopted as a Louisiana regulation in LAC 33:III.3003, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2). In correspondence dated January 15, 2020, the Respondent stated that the facility updated their spill prevention, control and countermeasure (SPCC) plan. In processing the update, the monthly standard tank inspection (STI) form used for the monthly tank inspections inadvertently omitted a reference to internal roof seal gap contact on the tanks vents. The Respondent edited the inspection form to include the reference to internal roof seal gap contact on the tank vents.
