ADMINISTRATIVE NOTICE

This **ADMINISTRATIVE NOTICE** applies to all persons who are required to submit an annual emissions inventory by LAC 33:III.919 and/or by the terms of a permit; all persons who are required to submit an annual emissions report by LAC 33:III.5107.A and/or by the terms of a permit; and all persons who are required to submit a discharge report under LAC 33:III.5107.B.5 and/or by the terms of a permit. This Administrative Notice is issued by the Louisiana Department of Environmental Quality (the Department) under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, *et seq.*, and particularly by La. R.S. 30:2011(D)(6) and (D)(14).

FINDINGS OF FACT

I.

The Department has experienced technical issues with the emissions reporting and inventory reporting system. Intermittent functionality of the system may prevent users from meeting the requirements associated with the April 30, 2018, reporting deadlines as outlined in LAC 33:III.919 and 5107.

II.

LAC 33:III.919.F.1.d and LAC 33:III.5107.A.1 allows the Department to establish deadlines other than April 30th of each year.

ADMINISTRATIVE NOTICE

Based on the foregoing, **it is hereby ordered that:**

I.

The deadline for submitting calendar year 2017 emission point level data and the Criteria Pollutant Emissions Certification Statement certifying facility criteria pollutant emission totals under LAC 33:III.919 is extended from April 30, 2018 to May 11, 2018.

II.

The deadline for submitting calendar year 2017 toxic air pollutant emissions data and the Toxic Air Pollutant Emissions Certification Statement certifying facility toxic air pollutant emission totals under LAC 33:III.5107.A is extended from April 30, 2018 to May 11, 2018.

III.

The deadline for submitting any discharge report required by LAC 33:III.5107.B.5 is extended from April 30, 2018 to May 11, 2018.

This **ADMINISTRATIVE NOTICE** is effective upon issuance.
