In the interest of clarity and transparency, the department is providing public notice and opportunity to comment on the proposed changes to the amendments of the regulation in question. The department is also providing an interim response to comments received on the initial regulation proposal.

A strikeout/underline/shaded version of the proposed rule that distinguishes original proposed language from language changed by this proposal and the interim response to comments are available on the department's website under Rules and Regulations at <http://deq.louisiana.gov/page/rules-regulations>.
