LDEQ to host workshops on the Electronic Document Management System (EDMS)

BATON ROUGE - The Louisiana Department of Environmental Quality (LDEQ) provides access to its public records over the Internet through the Electronic Document Management System (EDMS). The EDMS contains all public records that have been created or received by LDEQ.

This helpful tool gives quick access to the environmental information you need. Join us for an overview of LDEQ's records in the EDMS, plus tips and tricks to finding documents. Registration is required and seating is limited for computer lab workshops. Registration is also required for the webinar. To register for a workshop, go to <http://deq.louisiana.gov/form/enviroschool-EDMS-training>.

The scheduled EDMS workshops are as follows:

Tuesday, June 27, 10 a.m.- noon
LDEQ Headquarters – Galvez Building
602 N. 5th St., Baton Rouge

Wednesday, June 28, – 10 a.m. - noon
Live Webinar Only

Wednesday, July 12 – 10 a.m. - noon
LDEQ Headquarters – Galvez Building
602 N. 5th St., Baton Rouge

The EnviroSchool program at LDEQ is the environmental education outreach arm of the agency that provides training for communities, businesses and other organizations on a number of regulatory topics. The goal of this program is for the attendees to become informed about the environmental regulatory process and to maintain and improve environmental compliance.

These workshops are free and open to the public. If you are interested, please feel free to register for any of our workshops.
