

SEWAGE TREATMENT SYSTEM MAINTENANCE CLASS BEING OFFERED

CLASS IS FREE!

You are invited to attend a free class on sewage treatment system maintenance. The information is geared toward homeowners and owners/operators of on-site sewage treatment systems as part of an effort to protect Bayou Lafourche from receiving improperly treated sewage. The information provided will help you avoid unsanitary conditions from impacting your home or business.

Please try to attend one of the classes listed below. Classes are an hour and a half in duration.
