

Summary - Solid Waste Emergency Response Requirements (after June 20, 2011)

Requirement →	Fire		EMS	
↓ Facility Type	Hazard (example)	Response requirement	Hazard (example)	Response requirement
Type I Industrial landfill	Fire; Chemical exposure	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment; Chemical exposure; Falls	Emergency Medical Technician - Basic, or equivalent
Type I Industrial impoundment	Drowning; Chemical exposure	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Drowning; Chemical exposure	Emergency Medical Technician - Basic, or equivalent
Type I Industrial Landfarm	Fire; Chemical exposure	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent
Type II Residential / Commercial landfill	Leaking hazardous material container; Fire; Explosion	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent

Type II Residential / Commercial impoundment	Drowning	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Drowning	Emergency Medical Technician - Basic, or equivalent
Type II Landfarm	Fire	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent
Type IA Processor	Fire; Chemical exposure	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent
Type IIA Processor	Fire	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent
Type III Landfill	Leaking hazardous material container; Fire	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent

Type III Separation / Woodwaste facility	Fire	NFPA 472, Operations Level Responder, OR NFPA 1081, Incipient Industrial Fire Brigade Member, OR NFPA 1001, Fire Fighter I	Personnel injury near heavy equipment	Emergency Medical Technician - Basic, or equivalent
