ADMINISTRATIVE NOTICE

This **ADMINISTRATIVE NOTICE** applies to persons who are required to submit an annual emissions inventory pursuant to LAC 33:III.919 and/or by the terms of a permit; or persons who are required to submit an annual emissions report pursuant to LAC 33:III.5107.A and/or by the terms of a permit; or persons who are required to submit a discharge report under LAC 33:III.5107.B.5 and/or by the terms of a permit. This Administrative Notice is issued by the Louisiana Department of Environmental Quality (the Department) under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, *et seq.*, and particularly by La. R.S. 30:2011(D)(6) and (D)(14).

FINDINGS OF FACT

I.

The Department continues to update and enhance the existing emissions inventory reporting system, ERIC. For the start of the 2010 reporting cycle, the Department experienced delays in

providing for necessary system enhancements and data validations that are necessary to ensure that ERIC data can flow seamlessly into the National Emissions Inventory System. Therefore, at the start of the 2010 reporting cycle, ERIC was not ready to receive data in time for some users to meet all of the requirements associated with the March 31, 2011, reporting deadlines as outlined in LAC 33:III.919 and 5107.

II.

LAC 33:III.919.D and LAC 33:III.5107.A.1 allow the Department to establish deadlines other than March 31 of each year. The Department is currently engaged in rulemaking that will permanently change the reporting deadline for this submittal to April 30 of each year.

ADMINISTRATIVE NOTICE

Based on the foregoing, **it is hereby ordered that:**

I.

The deadline for submitting calendar year 2010 criteria pollutant emissions data and the Criteria Pollutant Emissions Certification Statement certifying facility criteria pollutant emission totals under LAC 33:III.919 is extended from March 31, 2011 to April 30, 2011.

II.

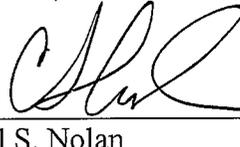

The deadline for submitting calendar year 2010 toxic air pollutant emissions data and the Toxic Air Pollutant Emissions Certification Statement certifying facility toxic air pollutant emission totals under LAC 33:III.5107.A is extended from March 31, 2011 to April 30, 2011.

III.

The deadline for affected persons to submit any discharge report required by LAC 33:III.5107.B.5 is extended from March 31, 2011 to April 30, 2011.

This **ADMINISTRATIVE NOTICE** is effective upon issuance.

Baton Rouge, Louisiana, this 25 day of January, 2011.
