

Clandestine Methamphetamine Lab Residential Real Property Cleanup Checklist

This checklist is to be completed by the residential real property owner, or his/her agent (contractor) for the purposes of documenting all cleanup activities performed. All items on this checklist can be referenced to the corresponding item in the guidance document for further detailed information. Upon completion of cleanup activities, this checklist, along with all pictures, receipts, etc. should be attached to the Final Report for submission to the Department for confirmation review.

Residential Real Property Agency Interest Number (LDEQ#) _____

Residential Real Property Owner Name _____

Location Address _____
