Other Information

- All notices are posted on the DEQ Public Notice Webpage.
- All notices are sent out to all those who requested to be on the public notice mailing list as a hard copy or via email to the list server subscribers.
- The comment period used is the minimum regulatory requirement.
- The Advocate is the official state journal.
- Sometimes as a service and if helpful, the public notice is published in additional papers.
- Specific detailed requirements apply to some notices.
- Notices are sent to the Louisiana State Senators, Representatives and other Governmental Authorities as required by the regulations or as needed.
- Local newspapers are newspapers of major circulation in the affected area.
- Public hearing expenses are paid by DEQ (only public notice expenses are paid for according to regulations).
