

VW Eligible Mitigation Action Project Application Guidance

The VW Eligible Mitigation Award application **must** be completed using the online form. Please complete all sections pertaining to your project. **If a section does not pertain to your project, please select the not applicable option – do not leave blank.** Complete all general organizational information and detail your project information in the sections that follow. Upload your project proposal as an option, but not in lieu of completing the other fields on the application form. See [Louisiana's Mitigation Plan](#) and [Appendix D-2 of the VW Clean Air Act Civil Settlement](#) for more details on Eligible Mitigation Actions.

Section A: Organization & Contact Information

All of the fields [require an entry](#).

Entity/Organization Name:

Enter the Entity/Organization name.

Parish:

Select the parish that will realize an emission reduction impact as a result of the project. If the impact is in multiple parishes, select the parish in which the entity/organization is located.

Gov/Non-Gov:

Select from one of three options: Governmental, Non-governmental, or Quasi-governmental. Non-governmental refers to private/for-profit entities and nongovernmental organizations (NGOs - any non-profit, voluntary citizens' group organized on a local, national or international level). Quasi-governmental refers to entities that exist under partial government control or sponsored by a branch of government.

Name:

Enter the name of the person responsible for the project proposal.

Mailing Address:

Enter the mailing address for the project proposal contact.

Physical Address:

Enter the street address of the entity/organization listed on the proposal.

Email:

Enter the email address of the project proposal contact.

Work Number:

Enter the phone number for the project proposal contact.

Cellular Number:

Enter the cellular phone number for the project proposal contact.

Section B: Project Information

All of the fields require an entry. If the field category is not applicable to your application, please select the 'Not Applicable' option or manually enter N/A if a dropdown is not available.

Electrical Vehicle Infrastructure Project Information

Electric Vehicle Infrastructure:

Select one of the radial dials available.

EV Infrastructure Project Title:

If your project is EV infrastructure, **enter** the name of the project.

If your project is not EV infrastructure, enter "N/A" or "Not Applicable" for the title.

Please do not leave this section blank.

EV Project Proposal Upload:

An upload of your project is not required.

If you have an EV infrastructure project file that you would like to submit, Select "Choose File" to upload your project file. Upload of a pdf, document, or spreadsheet must be compatible with Adobe Acrobat and/or Microsoft Office software.

EV Estimated Project Cost:

Enter the total cost of the EV Infrastructure project. Please refer to the Volkswagen Clean Air Act Settlement for guidance on funding allocations.

Eligible Mitigation Action Project Information

Eligible Mitigation Action (EMA):

If your project includes more than one of the EMAs listed, please submit a separate project application.

Select from one of the ten Eligible Mitigation Actions in the dropdown list:

- 1- Class 8 Local Freight Trucks and Port Drayage Trucks (Eligible Large Trucks)
- 2- Class 4-8 School Bus, Shuttle Bus, or Transit Bus (Eligible Buses)
- 3- Freight Switchers
- 4- Ferries/Tugs
- 5- Ocean Going Vessels (OGV) Shorepower
- 6- Class 4-7 Local Freight Trucks (Medium Trucks)
- 7- Airport Ground Support Equipment
- 8- Forklifts and Port Cargo Handling Equipment
- 9- Light Duty Zero Emission Vehicle Supply Equipment
- 10- Diesel Emission Reduction Act (DERA) Option

OR

Select "N/A – EV Infrastructure Only," if the project proposal is for electric vehicle (EV) infrastructure ONLY.

Project Title:

If your project is an Environmental Mitigation Actions (EMA) selected above, **enter** the name of the project.

If your project is not an EMA, enter "N/A" or "Not Applicable" for the title.

Please do not leave this section blank.

Project Proposal Upload:

An upload of your project is not required.

If you have an EV infrastructure project file that you would like to submit, Select "Choose File" to upload your project file. Upload of a pdf, document, or spreadsheet must be compatible with Adobe Acrobat and/or Microsoft Office software.

Fuel Type of Vehicle/Equipment Replaced:

Select from the dropdown list:

"Diesel"

OR

"N/A – EV Infrastructure Only," if the project proposal is for electrical vehicle (EV) infrastructure ONLY.

Number of Vehicles/Equipment Requesting:

Enter the number of affected vehicles/equipment.

Enter the number of vehicles/equipment that are being purchased or replaced.

Fuel Type of Replacement Vehicle/Equipment:

Select from one of the six power-driven options in the dropdown list:

Diesel (clean)

Hydrogen

Propane (LPG)

Liquid Natural Gas (LNG)

Compressed Natural Gas (CNG)

Electric

OR

Select "N/A – EV Infrastructure Only," if the project proposal is for electrical vehicle (EV) infrastructure ONLY.

Estimated Project Cost:

Enter the cost of the project. Please refer to the Volkswagen Clean Air Act Settlement for the maximum percentage funding allocations.

Please submit any comments or questions to vwsettlement@la.gov
