CHECK ALL THAT APPLY

The renewal is requested in accordance with the previously submitted application(s)
 There are no changes in the health physics program, leak test capabilities, personnel monitoring, or the quantity and kinds of radioactive materials at the facility
 There are no changes in radiation program personnel
 Changes are attached to application form
 Resume' and qualifications are attached for new radiation program personnel

The addendum to permit applications per LAC 33:I.1701 is now required by the Department of Environmental Quality to be completed with each renewal.
 This can be found at <http://www.deq.state.la.us/permits/1701addendum.doc> or <http://www.deq.state.la.us/permits/1701addendum.pdf>.

Note: If there are a large number of changes or if there is any major change in the radiation program, then a new complete application for a radioactive material license may have to be submitted in its entirety.
