STATE OF LOUISIANA
DEPARTMENT OF ENVIRONMENTAL QUALITY

IN THE MATTER OF:

NONDESTRUCTIVE AND VISUAL INSPECTION, LLC
AI # 99302

PROCEEDINGS UNDER THE LOUISIANA ENVIRONMENTAL QUALITY ACT
LA. R.S. 30:2001, ET SEQ.

SETTLEMENT

The following Settlement is hereby agreed to between Nondestructive and Visual Inspection, LLC ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a limited liability company that owns and/or operates an industrial radiography licensee facility located in Houma, Terrebonne Parish, Louisiana ("the Facility").

II

On August 27, 2009, the Department issued to Respondent a Penalty Assessment, Enforcement No. RE-P-09-0019, in the amount of $14,379.78, which was based upon the following findings of fact:

The Respondent is in possession of radioactive material under the provisions of License No. LA-5601-L01 issued by the Department on June 4, 2009. The facility is known as Nondestructive and Visual Inspection, LLC at 901 Oak Street in Houma, Terrebonne Parish, Louisiana.
On or about May 10, 2007, an investigation of Nondestructive & Visual Inspection, LLC, owned and/or operated by Nondestructive & Visual Inspection, LLC (Respondent) was performed to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Radiation Protection Regulations.

The following violation was noted during the course of the inspection:

The Respondent failed to control the occupational dose to individual adults so that the annual limit dose does not exceed a total effective dose equivalent of 5000 millirem, in violation of LAC 33:XR.410.A.1. Specifically, the licensee was notified by Landauer that an employee received 5691 millirem during the 2006 monitoring period, and another employee received 5363 millirem during the 2007 period. This is a repeat violation in the Penalty Assessment issued on December 12, 2006.

III

In response to the Penalty Assessment, Respondent made a timely request for a hearing.

IV

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

V

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of TWELVE THOUSAND AND NO/100 DOLLARS ($12,000.00), of which Seven Hundred Seventy-Nine and 78/100 Dollars ($779.78) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).
VI

Respondent further agrees that the Department may consider the inspection report(s), the Penalty Assessment and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VII

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VIII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Terrebonne Parish, Louisiana. The advertisement, in form, wording, and size approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent
has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary’s signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
