The following Settlement is hereby agreed to between Petroleum Rental Tools, Inc. ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a corporation that owns and/or operates a NORM registered site facility located at 315 Redmond Road in Houma, Terrebonne Parish, Louisiana ("the Facility").

II

On May 15, 2009, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. RE-CN-09-0004, which was based upon the following findings of fact:

The Respondent owns and/or operates a NORM registered site located at 315 Redmond Road in Houma, Terrebonne Parish, Louisiana. The facility was issued a NORM General License, LA-054A-N01, on January 1, 1991, by the Department.
On or about November 14, 2007, an inspection was conducted by a representative of the Department. The following violation was discovered during the inspection:

The Respondent failed to decontaminate its NORM registered site located at 315 Redmond Road in Houma, Terrebonne Parish, Louisiana, prior to leasing it for unrestricted use, in violation of LAC 33: XV.1417.A.1. This site has since been remediated.

On or about March 2, 2009, the Department received a written request for release of the NORM site located at 315 Redmond Road in Houma, Terrebonne Parish, Louisiana. The following violations were noted in the review of the document submitted:

A. The Respondent failed to dispose of NORM waste by transfer of the waste to a land disposal facility licensed by the department, the U.S. Nuclear Regulatory Commission, an agreement state, or a licensing state, in violation of LAC 33: XV.1412.B.1.

B. The Respondent failed to accompany NORM waste with a NORM manifest while transporting the NORM waste, in violation of LAC 33: XV.1418.A.

C. The Respondent deliberately submitted to the department information that was inaccurate, in violation of LAC 33: XV.1506.B.2. Specifically, the Respondent submitted a non-hazardous waste manifest as opposed to a NORM waste manifest.

On December 16, 2009, the Department issued to Respondent an Amended Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. RE-CN-09-0004A, amending Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. RE-CN-09-0004 as follows:
The Department amended Findings of Fact Paragraph III to remove the violation cited in Findings of Fact Paragraph III.C to read as follows:

“III.

IV

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

V

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a one-time payment in the amount of TWENTY-FIVE THOUSAND AND NO/100 DOLLARS ($25,000.00), of which One Thousand One Hundred Eleven and 43/100 Dollars ($1,111.43) represents the Department’s enforcement costs, in full and final settlement of the claims set forth in this agreement. VI

Respondent further agrees that the Department may consider the inspection report(s), the Consolidated Compliance Order & Notice of Potential Penalty, the Amended Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement action or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the
allegations of violations herein for the sole purpose of determining Respondent’s compliance history. Respondent may use any mitigating factors it believes applicable in any such future proceedings.

VII

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VIII

This settlement is being made in the interest of settling the Department’s claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Terrebonne Parish, Louisiana.
