SETTLEMENT

The following Settlement is hereby agreed to between Southern Natural Gas Company,
L.L.C. (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the
Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S.

I

Respondent is a limited liability company that owned and/or operated Bear Creek Storage
Facility, a natural gas transmission facility, located in Bienville, Bienville Parish, Louisiana (“the
Facility”).

II

On October 5, 2015, the Department issued to Respondent a Notice of Potential Penalty,
Enforcement No. AE-PP-15-00309 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures
and/or penalties.
IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of TWO THOUSAND FIVE HUNDRED AND NO/100 DOLLARS ($2,500.00), of which Five Hundred Forty-Seven and 20/100 Dollars ($547.20) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for
both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing
to the compromise and settlement, the Department considered the factors for issuing civil penalties

VIII

As required by law, the Department has submitted this Settlement Agreement to the
Louisiana Attorney General for approval or rejection. The Attorney General’s concurrence is
appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official
journal of the parish governing authority in Bienville Parish, Louisiana. The advertisement, in
form and wording approved by the Department, announced the availability of this settlement for
public view and comment and the opportunity for a public hearing. Respondent has submitted an
original proof-of-publication affidavit and an original public notice to the Department and, as of
the date this Settlement is executed on behalf of the Department, more than forty-five (45) days
have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If
payment is not received within that time, this Agreement is voidable at the option of the
Department. Payments are to be made by check, payable to the Department of Environmental
Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services
Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana,
70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form
(Exhibit A).
XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
