SETTLEMENT

The following Settlement is hereby agreed to between Grand Bayou Mobile Home Park, Inc. (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owns and/or operates an oxidation pond located in Thibodaux, Lafourche Parish, Louisiana (“the Facility”).

II

On February 21, 2017, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. WE-CN-16-00318 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of FOUR THOUSAND TWENTY-FIVE AND NO/100 DOLLARS (\$4,025.00), of which Nine Hundred Thirty-Seven and 86/100 Dollars (\$937.86) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

## V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

## VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

## VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

forth in La. R. S. 30:2025(E) of the Act.

## VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

## IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Lafourche Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

## X

An initial payment of \$525.00 is to be made within ten (10) days from notice of the Secretary's signature. Thereafter, monthly installments of \$250.00 shall be made over a period of fourteen (14) months. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

<b>FINDINGS OF FACT</b>			
<i>An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.</i>			
I.	The Respondent owns and/or operates an oxidation pond located at 229 Grand Drive, Thibodaux, Lafourche Parish, Louisiana. The Respondent was reissued Louisiana Pollutant Discharge Elimination System (LPDES) Permit LAG560055 on February 6, 2015, with an expiration date of November 4, 2019. Under the terms and conditions of LPDES Permit LAG560055, the Respondent is permitted to discharge treated sanitary wastewater into an unnamed ditch, thence into an unnamed canal, thence into Bayou Chevreuil, thence into Lac des Allemands, all waters of the state.		
	<b>Date of Violation</b>	<b>Description of Violation</b>	
II.	Inspection(s) & File Review 11/2/2015 12/19/2016	The Respondent failed to comply with LPDES permit LAG560055. Specifically, between July 1, 2014, and September 30, 2016, the Respondent reported exceedences of permit effluent limitations for BOD, TSS, pH, and Fecal Coliform. (LAG560055 (Part, Section B, Schedule A; and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.501.A) See Table 1.

IV.	File Review 12/19/2016	The Respondent failed to sample the effluent from Outfall 001 as required by LPDES Permit LAG560055. Specifically, the DMR for August 2016 indicates that no sample was taken for this monitoring period, but also indicates that there was flow comparable to the previous and subsequent monthly monitoring periods. (LAG560055 (Part I, Section B, Schedules H and I; and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.501.A)
