PROCEEDINGS UNDER THE LOUISIANA * AE-PP-17-00221
ENVIRONMENTAL QUALITY ACT *
LA. R.S. 30:2001, ET SEQ.

SETTLEMENT

The following Settlement is hereby agreed to between Louisiana Water Company ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a corporation that owns and/or operates a water treatment facility located in Eunice, St. Landry Parish, Louisiana ("the Facility").

II

On June 19, 2018, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-17-00221 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal
statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of NINE HUNDRED AND NO/100 DOLLARS ($900.00), of which Seven Hundred Thirty and 04/100 Dollars ($730.04) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in St. Landry Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled
in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

NOTICE OF POTENTIAL PENALTY

This NOTICE OF POTENTIAL PENALTY is issued by the Louisiana Department of Environmental Quality (the "Department"), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, et seq., and 30:2050.3(B).

FINDINGS OF FACT

An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.

I. The Respondent owns and/or operates a water treatment facility located at 200 E. Laurel St., in Eunice, St. Landry Parish, Louisiana. The facility does not currently have an Air Permit.

II. During the Mechanical Integrity portion of the Chemical and Accident Prevention Program (CAPP) inspection on or about February 10, 2016, it was observed that the Risk Management Plan (RMP) manual contains daily checklists that were verified for January 2016. The primary maintenance of the regulators, chlorine tubing, and chlorinator is required to be conducted by a contractor on an annual basis. The 2014 maintenance, which was due in September 2014, was conducted in January 2015. The failure to ensure the frequency of inspections of process equipment consistent with good engineering practices is a violation of LAC 33:III.5901.A, which incorporates by reference 40 CFR 68.73(d)(3), and La. R.S. 30:2057(A)(2).

III. In correspondence dated March 8, 2017, the Respondent stated that the annual equipment inspection and maintenance for the chlorine equipment were performed on June 26, 2012, September 26, 2013, January 5, 2015, January 18, 2016, and February 15, 2017. On or about June 20, 2017, the Respondent submitted inspection and maintenance reports for 2016 and 2017.

NOTICE OF POTENTIAL PENALTY

I. Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is required that they be submitted within ten (10) days of receipt of this notice.

II. Prior to the issuance of additional appropriate enforcement action(s), you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Dr. Jacqueline Prud'homme at (225) 219-3347 within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY.

III. The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance in order to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violations to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify this statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

IV. The Department reserves the right to seek civil and criminal remedies for the violation(s) and to seek compliance with its regulations in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties and compliance.

V. To reduce document handling, please refer to the Enforcement Tracking Number and Agency Interest Number on the front of this document on all correspondence in response to this action.
