SETTLEMENT

The following Settlement is hereby agreed to between National Maintenance & Repair of Louisiana, Inc. (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owns and/or operates a boat and barge repair facility located in Harahan, Jefferson Parish, Louisiana (“the Facility”).

II

On April 3, 2019, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. WE-CN-15-00642 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of TWELVE THOUSAND SEVEN HUNDRED FIFTY AND NO/100 DOLLARS (\$12,750.00), of which Six Hundred Thirty-Nine and 46/100 Dollars (\$639.46) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for

both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Jefferson Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made in four (4) quarterly installments of \$3,187.50. The first installment is due within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

LOUISIANA DEPARTMENT OF ENVIRONMENTAL QUALITY OFFICE OF ENVIRONMENTAL COMPLIANCE ENFORCEMENT DIVISION POST OFFICE BOX 4312 BATON ROUGE, LOUISIANA 70821-4312				 CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY	
Enforcement Tracking No.	WE-CN-15-00642	Certified Mail No.	7017 3040 0000 2464 5308		
Agency Interest (AI) No.	30132	Contact Name	Scott B. Pierce		
Alternate ID No.	LAG030003	Contact Phone No.	(225) 219-3723		
Respondent:	National Maintenance & Repair of Louisiana, Inc.	Facility Name:	National Maintenance & Repair of Louisiana		
	c/o Druis Lirette Agent for Service of Process	Physical Location:	5004 River Road		
	5004 River Road	City, State, Zip:	Harahan, LA 70123		
	Harahan, LA 70123	Parish:	Jefferson		
This CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is issued by the Louisiana Department of Environmental Quality (the Department), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, et seq., and particularly by La. R.S. 30:2025(C), 30:2050.2 and 30:2050.3(B).					
FINDINGS OF FACT					
An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.					
I.	The Respondent owns and/or operates a boat and barge repair facility located at 5004 River Road, Harahan, Jefferson Parish, Louisiana. The Respondent was granted authorization under Louisiana Pollutant Discharge Elimination System (LPDES) General Permit LAG030003 effective on May 5, 2014. LPDES Permit LAG030003 was modified to add a third treated sanitary wastewater outfall effective on July 30, 2015. LPDES Permit LAG030003 expired on December 10, 2018, but is administratively continued. Under the terms and conditions of LPDES General Permit LAG030003, the Respondent is permitted to discharge treated sanitary wastewater, incoming ballast and/or void water, and facility ballast and/or void water into the Mississippi River (Subsegment 070301), all waters of the state.				
	Date of Violation	Description of Violation			
II.	File Review 10/15/2018	The Respondent failed to comply with LPDES permit LAG030003. Specifically, between January 2015 and December 2018, the Respondent reported exceedances of permit effluent limitations for TSS, BOD5, and fecal coliform [see attachment Table 1]. (LAG030003 (Part I, Page 8 of 27 and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.501.A)			
III.	File Review 10/15/2018	The Respondent failed to sample the effluent from Outfall 02B for pH on a monthly basis as required by LPDES permit LAG030003. Specifically, from January 2015 to March 2018, the Respondent submitted monthly DMRs for Outfall 02B stating no sheen was observed, and therefore, sampling was not required. LPDES permit LAG030003 only requires sampling for COD and oil and grease when a visible sheen is observed; however, the permit requires that pH be sampled monthly regardless of a visible sheen. (LAG030003 (Part I, Page 12 of 27 and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.501.A)			
IV.	File Review 10/15/2018	The Respondent failed to submit daily operating logs as required by LPDES permit LAG030003. Specifically, the Respondent is required to quarterly submit daily operating logs detailing the discharges of incoming ballast water and/or void water. The Department did not receive the logs for April to June 2015 and October 2017 to September 2018. (LAG030003 (Part II, Section J and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.2701.A)			
V.	Inspection(s) 05/30/2014	The Respondent failed to properly operate and maintain its facility. Specifically, at the time of inspection, there was no chlorine in the contact chamber for Outfall 001. The inspector also observed toilet paper at the point of discharge at Outfall 001 (LAG030003 (Standard Conditions, Sections A.2 and B.3.a), La. R.S. 30:2076(A)(3), LAC 33:IX.501.A and LAC 33:IX.2701.E)			
VI.	Inspection(s) 05/30/2014	The Respondent caused and/or allowed the discharge of wastewater from a source or location not authorized by the permit. Specifically, the inspector observed solids overflowing from the treatment plant and flowing offsite via a channel to the Mississippi River. On or about June 29, 2015, the Respondent submitted a response stating the aeration pump for the Outfall 004 treatment system was damaged causing solids to build up and untreated water to be released through the tank cover. The Respondent removed the blockage and repaired the aeration hose. The unauthorized discharge to waters of the state is a violation of La. R.S. 30:2076(A)(1)(a) and LAC 33:IX.501.D. The failure to properly operate and maintain the facility is a violation of LPDES permit LAG030003 (Standard Conditions, Sections A.2 and B.3.a), La. R.S. 30:2076(A)(3), and LAC 33:IX.2701.E.			
VII.	Inspection(s) 05/30/2014	The Respondent failed to implement an adequate Spill Prevention and Control (SPC) Plan. Specifically, the inspector noted that the valve for the secondary containment of the 500-gallon diesel tank was open. The containment was holding storm water contaminated with an oil sheen from oily rags and a used oil filter. (La. R.S. 30:2076(A)(3) and LAC 33:IX.905.B)			
ORDER					
Based on the foregoing, the Respondent is hereby ordered to comply with the requirements that are indicated below:					
I.	To take, immediately upon receipt of this COMPLIANCE ORDER, any and all steps necessary to meet and maintain compliance with the Water Quality Regulations. This shall include, but not be limited to; correcting all of the violations described in the "Findings of Fact" portion.				
II.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER, a written report that includes a detailed description of the circumstances surrounding the cited violation(s) and actions taken or to be taken to achieve compliance with the "Order" portion of this COMPLIANCE ORDER. This report and all other reports or information required to be submitted to the Enforcement Division by this COMPLIANCE ORDER shall be submitted to the Department at the address specified in this document.				

III.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER , daily operating logs for October 2017 to March 2018.
IV.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER , an accurate and up-to-date SPC Plan.
RIGHT TO APPEAL	
I.	The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this COMPLIANCE ORDER . This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this COMPLIANCE ORDER .
II.	The request for an adjudicatory hearing shall specify the provisions of the COMPLIANCE ORDER on which the hearing is requested and shall briefly describe the basis for the request. This request should reference the Enforcement Tracking Number and Agency Interest Number, which are located in the upper left-hand corner of the first page of this document and should be directed to the address specified in this document.
III.	Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this COMPLIANCE ORDER may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Division of Administrative Law's (DAL) Procedural Rules. The Department may amend or supplement this COMPLIANCE ORDER prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.
IV.	This COMPLIANCE ORDER shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.
V.	The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this COMPLIANCE ORDER shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this COMPLIANCE ORDER becoming a permanent part of its compliance history.
VI.	Civil penalties of not more than thirty-two thousand five hundred dollars (\$32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this COMPLIANCE ORDER and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars (\$50,000) for each day of continued violation or noncompliance.
VII.	For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.
NOTICE OF POTENTIAL PENALTY	
I.	Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.
II.	Prior to the issuance of additional appropriate enforcement action(s), you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Taylor Alexander at (225) 219-3811 within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY .
III.	The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violation(s) to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY . Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify that statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.
IV.	This CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is effective upon receipt.

HOW TO REQUEST CLOSURE OF THIS CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY	
<ul style="list-style-type: none"> To appeal the CONSOLIDATED COMPLIANCE ORDER AND NOTICE OF POTENTIAL PENALTY, the Respondent must follow the guidelines set forth in the "Right to Appeal" portion of this CONSOLIDATED COMPLIANCE ORDER AND NOTICE OF POTENTIAL PENALTY. 	

- To request closure of the **COMPLIANCE ORDER** portion, the Respondent must demonstrate compliance with the "Order" portion of this **COMPLIANCE ORDER** by completing the attached "**CONSOLIDATED COMPLIANCE ORDER AND NOTICE OF POTENTIAL PENALTY REQUEST TO CLOSE**" form and returning it to the address specified.
 - Before requesting closure of the **COMPLIANCE ORDER** portion, please contact the Financial Services Division at 225-219-3865 or email them at _DEQ-WWWFinancialServices@la.gov to determine if you owe outstanding fees.

- To expedite closure of the **NOTICE OF POTENTIAL PENALTY** portion, the Respondent may offer a settlement amount to resolve any claim for civil penalties for the violation(s) described herein.
 - The Department assesses civil penalties based on LAC 33:1.Subpart1.Chapter7.
 - The Respondent may offer a settlement amount but the Department is under no obligation to enter into settlement negotiations. It is decided upon on a discretionary basis.
 - The settlement offer amount may be entered on the attached "**CONSOLIDATED COMPLIANCE ORDER AND NOTICE OF POTENTIAL PENALTY REQUEST TO CLOSE**" form. The Respondent must include a justification of the offer.
 - **DO NOT** submit payment of the offer amount with the form. The Department will review the settlement offer and notify the Respondent as to whether the offer is or is not accepted.
 - Before requesting closure of the **NOTICE OF POTENTIAL PENALTY** portion, please contact the Financial Services Division at 225-219-3865 or email them at _DEQ-WWWFinancialServices@la.gov to determine if you owe outstanding fees.

If you have questions or need more information, you may contact Scott B. Pierce at (225) 219-3723 or Scott.Pierce@la.gov.

SETTLEMENT AGREEMENTS

WHAT IS A SETTLEMENT AGREEMENT?

Once the Department has determined that a penalty is warranted for a violation, the Assistant Secretary of the Department, with the concurrence of the Attorney General, may enter into a settlement agreement with the Respondent as a means to resolve the Department's claim for a penalty.

HOW DOES THE SETTLEMENT AGREEMENT PROCESS WORK?

To begin the settlement agreement process, the Department must receive a written settlement offer. Once this offer is submitted, it is sent for approval by the Assistant Secretary of the Office of Environmental Compliance. The formal Settlement Agreement is drafted and sent to the Attorney General's office where the Attorney General has a 90 day concurrence period. During this time, the Respondent is required to run a public notice in an official journal and/or newspaper of general circulation in each affected parish. After which, a 45 day public comment period is opened to allow the public to submit comments. Once the Department has received concurrence, the settlement agreement is signed by both parties. The Department then forwards a letter to the responsible party to establish a payment plan and/or beneficial environmental project (BEP).

WHAT SHOULD I INCLUDE IN A SETTLEMENT AGREEMENT?

The Department uses the penalty determination method defined in LAC 33:1.705 as a guideline to accepting settlement offers. The penalty matrix is used to determine a penalty range for each violation based on the two violation specific factors, the nature and gravity of the violation and the degree of risk/impact to human health and property.

		NATURE AND GRAVITY OF THE VIOLATION		
		MAJOR	MODERATE	MINOR
DEGREE OF RISK OR IMPACT TO HUMAN HEALTH OR PROPERTY	MAJOR	\$32,500 to \$20,000	\$20,000 to \$15,000	\$15,000 to \$11,000
	MODERATE	\$11,000 to \$8,000	\$8,000 to \$5,000	\$5,000 to \$3,000
	MINOR	\$3,000 to \$1,500	\$1,500 to \$500	\$500 to \$100

Degree of Risk to Human Health or Property

Major: (actual measurable harm or substantial risk of harm) A violation of major impact to an environmental resource or a hazard characterized by high volume and/or frequent occurrence and/or high pollutant concentration.

Moderate: (potential for measurable detrimental impact) A violation of moderate impact and hazard may be one characterized by occasional occurrence and/or pollutant concentration that may be expected to have a detrimental effect under certain conditions

Minor: (no harm or risk of harm) A violation of minor impact are isolated single incidences and that cause no measurable detrimental effect or are administrative in nature.

Nature and Gravity of the Violation

Major: Violations of statutes, regulations, orders, permit limits, or permit requirements that result in negating the intent of the requirement to such an extent that little or no implementation of requirements occurred.

Moderate: Violations that result in substantially negating the intent of the requirements, but some implementation of the requirements occurred.

Minor: Violations that result in some deviation from the intent of the requirement; however, substantial implementation is demonstrated.

The range is adjusted using the following violator specific factors:

1. history of previous violations or repeated noncompliance;
2. gross revenues generated by the respondent;
3. degree of culpability, recalcitrance, defiance, or indifference to regulations or orders;
4. whether the Respondent has failed to mitigate or to make a reasonable attempt to mitigate the damages caused by the violation; and
5. whether the violation and the surrounding circumstances were immediately reported to the department, and whether the violation was concealed or there was an attempt to conceal by the Respondent.

SETTLEMENT AGREEMENTS

Given the previous information, the following formula is used to obtain a penalty amount.

$$\text{Penalty Event Total} = \text{Penalty Event Minimum} + (\text{Adjustment Percentage} \times (\text{Penalty Event Maximum} - \text{Penalty Event Minimum}))$$

After this, the Department adds any monetary benefit of noncompliance to the penalty event. In the event that a monetary benefit is gained due to the delay of a cost that is ultimately paid, the Department adds the applicable judicial interest. Finally, the Department adds all response costs including, but not limited to, the cost of conducting inspections, and the staff time devoted to the preparation of reports and issuing enforcement actions.

WHAT IS A BEP?

A BEP is a project that provides for environmental mitigation which the respondent is not otherwise legally required to perform, but which the defendant/respondent agrees to undertake as a component of the settlement agreement.

Project categories for BEPs include public health, pollution prevention, pollution reduction, environmental restoration and protection, assessments and audits, environmental compliance promotion, and emergency planning, preparedness and response. Other projects may be considered if the Department determines that these projects have environmental merit and is otherwise fully consistent with the intent of the BEP regulations.

WHAT HAPPENS IF MY OFFER IS REJECTED?

If an offer is rejected by the Assistant Secretary, the Legal Division will contact the responsible party, or anyone designated as an appropriate contact in the settlement offer, to discuss any discrepancies.

WHERE CAN I FIND EXAMPLES AND MORE INFORMATION?

Settlement Offers	searchable in <u>EDMS</u> using the following filters Media Air Quality Function: Enforcement; Description: Settlement
Settlement Agreements	<u>Enforcement Division's website</u> specific examples can be provided upon request
Penalty Determination Method	<u>LAC 33:1 Chapter 7</u>
Beneficial Environmental Projects	<u>LAC 33:1 Chapter 25</u>
Judicial Interest.....	<u>FAQs</u> provided by the Louisiana State Bar Association
