LA. R.S. 30:2001, ET SEQ.

SETTLEMENT

The following Settlement is hereby agreed to between Riverside Food Distributors, LLC ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a limited liability company that owns and/or operates a food distribution facility located in Marrero, Jefferson Parish, Louisiana ("the Facility").

II

On March 8, 2019, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement No. WE-CN-18-00392 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal
statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of SEVENTEEN THOUSAND AND NO/100 DOLLARS ($17,000.00), of which Five Hundred Fifty-Two and 36/100 Dollars ($552.36) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General’s concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Jefferson Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.
XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

An authorized representative of the Department inspected the abovementioned facility, and conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.

---

**I.**  
The Respondent owns and operates a food distribution facility located at 7251 River Road, Marrero, Jefferson Parish, Louisiana. The Respondent was issued Louisiana Pollutant Discharge Elimination System (LPDES) Permit LA-0083216 on May 22, 2015, with an effective date of July 1, 2015. LPDES Permit LA-0083216 will expire on June 30, 2020. Under the terms and conditions of LPDES Permit LA-0083216, the Respondent is permitted to discharge sanitary wastewater, stormwater runoff, and shop, dock, truck, refrigerated box, equipment, and warehouse washdown water, through a local drainage ditch, into the Mississippi River (070301), all waters of the state.

**II.**  
**Date of Violation:** 8/31/2018  
**Description of Violation:** The Respondent failed to comply with LPDES permit LA-0083216. Specifically, between July 2016 and December 2018, the Respondent reported exceedances of permit effluent limitations for Fecal Coliform, TSS, and BODs for Outfall 002 as summarized in Table 1. (LA-0083216 Effluent Limitations and Monitoring Requirements, Page 1 of 5 and Standard Conditions A.2, La. R.S. 30:2076A(3), and LAC 33:IX.501A)

**III.**  
**Date of Violation:** 8/31/2018  
**Description of Violation:** The Respondent failed to sample the effluent from Outfall 002 on a quarterly basis as required by LPDES Permit LA-0083216. Specifically, Outfall 002 has not had a sample taken for analysis from July 2015 through December 2018 as indicated in the comments section of submitted DMRs and communicated to inspector. (LA-0083216 Effluent Limitations and Monitoring Requirements, Page 3 of 5 and Standard Conditions A.2, La. R.S. 30:2076A(3), and LAC 33:IX.501A)

**IV.**  
**Date of Violation:** 8/31/2018  
**Description of Violation:** The Respondent failed to submit Discharge Monitoring Reports (DMRs) in a timely manner. The Respondent is required to submit quarterly DMRs no later than the 28th day of the month following each quarterly monitoring period. Specifically, the Respondent did not submit timely DMRs for the following quarterly monitoring periods: Quarters 1 and 3 of 2017 and Quarters 1 and 3 of 2018. In each of these periods, DMRs for both Outfall 001 and Outfall 002 were submitted late. (LA-0083216 Effluent Limitations and Monitoring Requirements S-1, Pages 1 and 3 of 5 and Standard Conditions A.2 and D.4, La. R.S. 30:2076A(3), and LAC 33:IX.2701.1.4)

**V.**  
**Date of Violation:** 8/31/2018  
**Description of Violation:** The Respondent failed to comply with LPDES permit LA-0083216. Specifically, the Respondent failed to submit quarterly Discharge Monitoring Reports (DMRs) for the monitoring periods of Quarter 3 of 2015 through Quarter 2 of 2017 for Outfall 002 and Quarter 2 of 2018 for both Outfall 001 and Outfall 002. (LA-0083216 Effluent Limitations and Monitoring Requirements S-1, Pages 1 and 3 of 5 and Standard Conditions A.2 and D.4, La. R.S. 30:2076A(3), and LAC 33:IX.2701.1.4)

**VI.**  
**Date of Violation:** 8/31/2018  
**Description of Violation:** The Respondent failed to properly operate and maintain systems of treatment and control. Specifically, vegetation prevented the inspector from locating Outfall 002. According to the inspection report, the facility did not know the exact location of Outfall 002 because it had never been sampled. (LA-0083216 Standard Conditions, Sections A.2 and B.3.a., La. R.S. 30:2076A(3), and LAC 33:IX.2701.1.4) See photo 4 of 4 from 8/31/2018 inspection.

RIGHT TO APPEAL

I. The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this COMPLIANCE ORDER. This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this COMPLIANCE ORDER.

II. The request for an adjudicatory hearing shall specify the provisions of the COMPLIANCE ORDER on which the hearing is requested and shall briefly describe the basis for the request. This request should reference the Enforcement Tracking Number and Agency Interest Number, which are located in the upper left hand corner of the first page of this document and should be directed to the address specified in this document.

III. Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this COMPLIANCE ORDER may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Division of Administrative Law's (DAL) Procedural Rules. The Department may amend or supplement this COMPLIANCE ORDER prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.

IV. This COMPLIANCE ORDER shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.

V. The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this COMPLIANCE ORDER shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this COMPLIANCE ORDER becoming a permanent part of its compliance history.

VI. Civil penalties of not more than thirty-two thousand five hundred dollars ($32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this COMPLIANCE ORDER and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars ($50,000) for each day of continued violation or noncompliance.

VII. For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.

NOTICE OF POTENTIAL PENALTY

I. Pursuant to La. R.S. 30:2050.3(3)(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

II. Prior to the issuance of additional appropriate enforcement action(s), you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Kevin Fay at (225) 219-3485 within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY.

III. The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violation(s) to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify that statement. If the Respondent chooses not to submit the requested most current annual gross revenue statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

IV. This CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is effective upon receipt.
