STATE OF LOUISIANA
DEPARTMENT OF ENVIRONMENTAL QUALITY

IN THE MATTER OF:

BENGAL PIPELINE COMPANY LLC
AI # 588

PROCEEDINGS UNDER THE LOUISIANA
ENVIRONMENTAL QUALITY ACT
LA. R.S. 30:2001, ET SEQ.

SETTLEMENT

The following Settlement is hereby agreed to between Bengal Pipeline Company LLC ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a limited liability company that owns and/or operates a gasoline and distillates storage facility located in Jackson, East Feliciana Parish, Louisiana ("the Facility").

II

On July 17, 2019, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-18-00264 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal
statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of SIX THOUSAND AND NO/100 DOLLARS ($6,000.00), of which One Thousand One Hundred Sixty and 13/100 Dollars ($1,160.13) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state’s claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General’s concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in East Feliciana Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary’s signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.
XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

FINDINGS OF FACT

An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. <table>
<thead>
<tr>
<th>Date of Violation</th>
<th>Description of Violation</th>
</tr>

<tbody>
<tr>
<td>I. Inspection(s)</td>
<td>The Respondent's 2015 Annual Compliance Certification, submitted on March 30, 2016, disclosed that a technician employed by the Respondent failed to conduct monthly Leak Detection and Repair (LDAR) inspections for 56 components for June 2015. The Respondent further disclosed that LDAR inspections properly conducted in May and July 2015 showed no components were leaking. Each failure to conduct monthly LDAR inspection, on each component, is a violation of 40 CFR 63.424(a), which language has been adopted as a Louisiana regulation in LAC 33:III.5122.A, Specific Requirement (SR) 125 of Title V Permit No. 0880-00007-V7, LAC 33:III.501.C.4, and La. </tr>
<tr>
<td>II. File Review</td>
<td>In correspondence dated September 26, 2018, the Respondent submitted the facility's 2018 First Semiannual Monitoring Report. The report disclosed that a secondary seal gap measurement report was not submitted within 60 days of completing seal gap measurements on Tanks 1474 (EQT 004), 1475 (EQT 005), 1476 (EQT 006), 1477 (EQT 007), 1479 (EQT 008), 1480 (EQT 012) and 1493 (EQT 009) between November 4, 2013 and November 5, 2013. The Respondent disclosed in the monitoring report that the seal gap widths were in compliance. Each failure to timely submit a seal gap measurement report for each tank is a violation of 40 CFR 60.113b(b)(1), which language has been adopted as a Louisiana regulation in LAC 33:III.3003.A, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).</td>
</tr>
<tr>
<td>III. File Review</td>
<td>In correspondence dated September 26, 2018, the Respondent submitted the facility's 2018 First Semiannual Monitoring Report. The report disclosed that prior notifications of commencement of reconstructions of Tank 1474 (EQT 004) and Tank 1476 (EQT 006) were not submitted in 2017 prior to the commencement or reconstruction of converting these tanks from external floating roof tanks to internal floating roof tanks. The Respondent disclosed in the monitoring report that the report of commencement of construction was submitted dated September 26, 2018. Each failure to submit notification prior to commencement of construction of each tank is a violation of 40 CFR 60.71(a)(1), which language has been adopted as a Louisiana regulation in LAC 33:III.3003.A, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).</td>
</tr>

</table>
In correspondence dated September 26, 2018, the Respondent submitted the facility’s 2018 First
Semianual Monitoring Report. The report disclosed that on March 7, 2018, Tank 1474 (EQT 004) was

drain dry condition and then partially refilled such that the roof remained in a heeled condition for
a 52-hour period before being fully floated. Each failure to continuously refill, or drain, a tank, when
the roof is resting on the leg supports, is a violation of 40 CFR 60.112b(a)(1)(i), which language has been

submit the requested most current annual gross revenue statement within ten (10) days, it will be viewed by the Department as
an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

IV. For each violation described herein, the Department reserves the right to seek civil penalties and the right to seek compliance
with its rules and regulations in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek
such penalties and compliance.
