LA. R.S. 30:2001, ET SEQ. *

The following Settlement is hereby agreed to between Cajun Ready Mix Concrete, LLC ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a limited liability company that owns and/or operates a ready-mix concrete facility located in Gonzales, Ascension Parish, Louisiana ("the Facility").

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal
statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of SEVEN THOUSAND FIVE HUNDRED AND NO/100 DOLLARS ($7,500.00), of which Two Thousand Five Hundred Thirty-Five and 81/100 Dollars ($2,535.81) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent’s compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state’s claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General’s concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Ascension Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made in a one-year period. An initial payment of $1,500.00 is to be made within ten (10) days from notice of the Secretary's signature. The remaining $6,000.00 is to be made in quarterly installments of $1,500.00. If payment is not received within that time, this Agreement is voidable at the option of the Department. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).
XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

This AMENDED CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is issued by the Louisiana Department of Environmental Quality (the Department), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001 et seq., and particularly by La. R.S. 30:2025(C), 30:2050.2 and 30:2050.3(B). This AMENDED CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY replaces CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY, ENFORCEMENT TRACKING NO. MM-CN-17-00081 issued on June 5, 2017, in its entirety.

FINDINGS OF FACT

An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.

The Respondent owns and/or operates a ready-mix concrete facility located at or near 38429 Highway 30 in Gonzales, Ascension Parish, Louisiana. On or about September 14, 2016, the Department received a Notification of Change Form (NOC-1) indicating that a transfer of ownership of the Gonzales ready-mix concrete facility from the previous owner, Heck Industries, Inc., to the Respondent occurred on or about April 1, 2016. The NOC-1 requested transfer of LPDES Permit LAG110190 from Heck Industries, Inc. to the Respondent. The NOC-1 received by the Department on September 14, 2016, was not deemed to be complete. The Department received a NOC-1 from the Respondent on or about March 23, 2017, which was also deemed incomplete. The Respondent provided the required information, and the Department transferred LPDES Permit LAG110190 to the Respondent effective May 22, 2017. LPDES Permit LAG110190 will expire on April 3, 2019. Under the terms and conditions of LPDES Permit LAG110190, the Respondent is permitted to discharge process wastewater and process area stormwater to Smith Bayou via drainage ditch, waters of the state. The Respondent does not currently operate under an effective air permit.

Date of Violation | Description of Violation
--- | ---
File Review: February 13, 2017 | The Respondent failed to provide written notification of the change of ownership of the Gonzales Facility prior to or no later than 45 days after the change. Specifically, on or about September 14, 2016, the Department received a NOC-1 under cover letter dated September 12, 2016. The NOC-1 indicated that there was a transfer of ownership of the Gonzales ready-mix concrete facility from the previous owner, Heck Industries, Inc., to the Respondent on or about April 1, 2016. (La. R.S. 30:2076(A)(3) and LAC 33:1907.B)
Inspection(s): October 27, 2016 | The Respondent caused and/or allowed the discharge of wastewater without a permit and/or other authority from the Department. The inspection revealed process wastewater from settling pits discharging to the drainage ditch. The inspection also observed process wastewater and concrete solids in the drainage ditch on the east side of the facility, including the part of the ditch on George Martinez Road. (La. R.S. 30:2075)
Inspection(s): October 27, 2016 | The Respondent failed to prevent particulate matter from becoming airborne by taking all reasonable precautions and failed to maintain the silo dust collectors in proper working condition to prevent airborne particulate matter. Specifically, on October 27, 2016, an inspection of the facility revealed cement dust blowing offsite while a truck was being loaded and emissions from silos traveling offsite in violation of LAC 33:III.305.A, LAC 33:III.1305.A, and La. R.S. 30:2075(A)(1) and 30:2077(A)(2). The Respondent informed the Department during the subsequent January 5, 2017 inspection that three (3) new dust collectors had been installed on the silos. No dust was observed traveling offsite during this inspection.

ORDER

Based on the foregoing, the Respondent is hereby ordered to comply with the requirements that are indicated below:

I. To take, immediately upon receipt of this COMPLIANCE ORDER, any and all steps necessary to meet and maintain compliance with the Water Quality Regulations. This shall include, but not be limited to, correcting all of the violations described in the "Findings of Fact" portion.

II. To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER, a written report that includes a detailed description of the circumstances surrounding the cited violation(s) and actions taken or to be taken to achieve compliance with the "Order" portion of this COMPLIANCE ORDER. This report and all other reports or information required to be submitted to the Enforcement Division by this COMPLIANCE ORDER shall be submitted to the Department at the address specified in this document.

III. To submit DMRs and associated reports for May 2017 through September 2018 electronically using NetDMR, unless otherwise notified in writing by the Department.
### RIGHT TO APPEAL

I. The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this **COMPLIANCE ORDER**. This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this **COMPLIANCE ORDER**.

II. The request for an adjudicatory hearing shall specify the provisions of the **COMPLIANCE ORDER** on which the hearing is requested and shall briefly describe the basis for the request. This request should reference the Enforcement Tracking Number and Agency Interest Number, which are located in the upper left-hand corner of the first page of this document and should be directed to the address specified in this document.

III. Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this **COMPLIANCE ORDER** may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Division of Administrative Law's (DAL) Procedural Rules. The Department may amend or supplement this **COMPLIANCE ORDER** prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.

IV. This **COMPLIANCE ORDER** shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.

V. The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this **COMPLIANCE ORDER** shall not preclude the Respondent from contesting the findings of fact in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this **COMPLIANCE ORDER** becoming a permanent part of its compliance history.

VI. Civil penalties of not more than thirty-two thousand five hundred dollars ($32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this **COMPLIANCE ORDER** and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars ($50,000) for each day of continued violation or noncompliance.

VII. For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.

### NOTICE OF POTENTIAL PENALTY

I. Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

II. Prior to the issuance of additional appropriate enforcement action(s), you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Richard Ober, Jr. at 225-219-3135 within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**.

III. The Department is required by La. R.S. 30:2025(I)(E)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violation(s) to the above named contact person within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify that statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

IV. This **CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY** is effective upon receipt.
