SETTLEMENT

The following Settlement is hereby agreed to between Gulf South Pipeline Company, LLC f/k/a Gulf South Pipeline Company, LP (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

II

On February 21, 2020, the Department issued to Respondent a Notice of Potential Penalty, Enforcement Tracking No. AE-PP-18-00534 (Exhibit 1).

On July 20, 2021, the Department issued to Respondent an Amended Notice of Potential Penalty, Enforcement Tracking No. AE-PP-18-00534A (Exhibit 2).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures
and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of ONE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS ($1,500.00), of which One Thousand Fifty-Nine and 64/100 Dollars ($1059.64) represents the Department’s enforcement costs, in settlement of the claims set forth in this agreement. V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in St. Helena Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each
payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

On or about March 21, 2017, the Respondent submitted a stack test schedule for EQT0001, EQT0003, EQT0004, and EQT0005 for May 23, 2017 through May 24, 2017, which is at least thirty (30) days prior to conducting the performance test. On or about June 9, 2017, the Respondent submitted the emissions testing report for the
tests conducted on May 23, 2017, which is within the sixty (60) day deadline to submit a report after completing the performance tests.

B. In the 2017 Title V 1st Semiannual Report dated September 27, 2017, the Respondent reported the failure to timely submit a notification of compliance on or before May 1, 2017. Specifically, on or about May 3, 2017, the Respondent submitted a start-up and shutdown requirement notification of compliance report for five (5) Worthington UTC-168 natural gas fired compressor engines. This is a violation of LAC 33:III.2201.K.4 and La. R.S. 30:2057(A)(2).

C. In the Revised 2019 Title V 1st Semiannual Report dated December 18, 2019, the Respondent reported the failure to timely submit a written report for an unauthorized discharge to the Department’s Emergency and Radiological Services Division, Single Point of Contact (SPOC) within seven (7) calendar days. Specifically, on or about June 5, 2019, the Respondent reported that emergency shutdown system was activated by the closure of a station valve, the release was secured within twelve (12) minutes and reported by telephone within one (1) hour of discovery; however, the written report was not submitted until June 18, 2019. This is a violation of LAC 33:1.3925.A and La. R.S. 30:2057(A)(2).

Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

Prior to the issuance of any additional appropriate enforcement action, you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Madison Kirkland at (225) 219-3165 or at Madison.Kirkland@la.gov within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY.

The Department is required by La. Please forward the Respondent’s most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violations to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

For each violation described herein, the Department reserves the right to seek civil penalties and the right to seek compliance with its rules and regulations in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties and compliance.
