SETTLEMENT AGREEMENT

The following Settlement Agreement is hereby agreed to between Maverick Services, LLC (formerly known as Breitburn Management Company LLC) (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a limited liability company that owns and/or operates a crude oil and natural gas production facility located in Webster Parish, Louisiana (“the Facility”).

II

On July 20, 2021, the Department issued to Respondent a Notice of Potential Penalty, Enforcement Tracking No. AE-PP-19-00781 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of FIVE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$5,500.00), of which Four Hundred Sixty-One and 68/100DOLLARS (\$461.68) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the permit record(s), the Notice of Potential Penalty, and this Settlement Agreement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This Settlement Agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this Settlement Agreement, except such review as may be required for interpretation of this Settlement Agreement in any action by the Department to enforce this Settlement Agreement.

VII

This Settlement Agreement is being made in the interest of settling the state's claims and

avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Webster Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this Settlement Agreement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement Agreement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

FINDINGS OF FACT			
<i>An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.</i>			
I.	The Respondent owns and/or operates the Roberts 3-1 Common Point Facility (Facility), a crude oil and natural gas production facility, located four (4) miles east of Springhill, in Webster Parish, Louisiana. The facility operates under Minor Source General Oil and Gas Air Permit No. 3080-0011-04, issued November 25, 2013. Minor Source General Oil and Gas Air Permit No. 3080-0011-04 was transferred to the Respondent on August 21, 2019.		
II.	In correspondence dated August 2, 2019, the Respondent stated that an air permit is no longer required for the facility as a re-evaluation of emissions based on the current operating scenario resulted in the determination that the facility qualifies for an exemption from permitting per Act 547. The correspondence stated that the Respondent planned to submit a permit rescission application after the permit was transferred. Minor Source General Oil and Gas Air Permit No. 3080-0011-04 was transferred to the Respondent on August 21, 2019. As of June 11, 2021, the Respondent has not submitted a permit rescission request to the Department.

The failure to submit the NOC-1 to the Department within forty-five (45) days after a change in ownership of a permitted facility is a violation of LAC 33:I.1907.B, LAC 33:III.517.G, and La. R.S. 30:2057(A)(2).	
IV.	File Review June 11, 2021	The Respondent became the owner of the facility on December 14, 2014, and Minor Source General Oil and Gas Air Permit No. 3080-0011-04 was transferred on August 21, 2019. The unauthorized operation of the facility for 1,711 days is a violation of LAC 33:III.501.C.2, La. R.S. 30:2057(A)(1), and La. R.S. 30:2057(A)(2).

R.S. 30:2025.
