SETTLEMENT AGREEMENT

The following Settlement Agreement is hereby agreed to between Cameron Interstate Pipeline, LLC (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a limited liability company that owns and/or operates a compressor station located in Moss Bluff, Calcasieu Parish, Louisiana (“the Facility”).

II

On November 29, 2022, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement Tracking No. AE-CN-22-00049 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of THIRTEEN THOUSAND AND NO/100 DOLLARS (\$13,000.00), of which Nine Hundred Seventy-One and No/100 Dollars (\$971.00) represents the Department's enforcement costs, in settlement of the claims set forth in this Settlement Agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement Agreement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This Settlement Agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this Settlement Agreement in any action by the Department to enforce this Settlement Agreement.

VII

This Settlement Agreement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and Settlement Agreement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Calcasieu Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this Settlement Agreement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement Agreement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Settlement Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana,

70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form attached hereto.

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement Agreement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

This CONSOLIDATED COMPLIANCE ORDER & NOTICE OF POTENTIAL PENALTY is issued by the Louisiana Department of Environmental Quality (the Department), under the authority granted by the Louisiana Environmental Quality Act (the Act), La. R.S. 30:2001, et seq., and particularly by La. R.S. 30:2025(C), 30:2050.2 and 30:2050.3(B).				
FINDINGS OF FACT				
<i>An authorized representative of the Department inspected the abovementioned facility or conducted a file review of the facility to determine the degree of compliance with regulations promulgated in the Louisiana Administrative Code, Title 33. The State regulatory citations for the violation(s) identified during the inspection and/or file review are indicated below.</i>				
I.	The Respondent owns and/or operates a compressor station located at 1500 Holbrook Park Road in Moss Bluff, Calcasieu Parish, Louisiana. The facility operates under Title V Air Permit No. 0520-00464-V2, issued June 8, 2021, and is subject to New Source Performance Standards (NSPS) Subpart JJJJ.			
	Date of Violation	Description of Violation		
II.	Inspection(s) November 22, 2021	The Respondent failed to conduct the required initial performance testing of seven (7) non-certified compressor engines (EQT 0001 – EQT 0007) in accordance with 40 CFR 60.4243(b)(2). Specifically, each of the seven (7) Waukesha 16V-275GL compressor engines are fired by natural gas and are air emission sources subject to annual emissions testing per Title V Air Permit No. 0520-004640-V2. The Respondent believed the engines were originally certified by the manufacturer; however, after an internal review it was determined they were not. Therefore, the Respondent had followed the regulations for engines certified by the manufacturer instead of the regulations for uncertified engines. The engines have been operating for four and a half (4.5) years, but have yet to have been tested. Each failure to conduct the required initial performance testing of non-certified compressor engines is a violation of 40 CFR 60.4243(b)(2) and 40 CFR 63.6590(c), which language has been adopted as a Louisiana Regulation in LAC 33:III.3003 and LAC 33:III.5122, Specific Requirement No. 8 of Title V Permit No. 0520-004640-V2, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).		
III.	Inspection(s) November 22, 2021	The Respondent failed to submit the initial written notification of the construction commencement date for each of the compressor engines (EQT0001-EQT0007) as required by and in accordance with 40 CFR 60.4245(c). Specifically, owners and operators of stationary Spark Ignition Internal Combustion Engines (SI ICE) greater than or equal to five hundred (500) HP that have not been certified by an engine manufacturer to meet the emission standards in 40 CFR 60.4231 must submit an initial notification as required in 40 CFR 60.7(a)(1). The engines at the facility operate at more than five thousand (5000) horsepower and were installed four and a half (4.5) years ago. As of October 28, 2022, the Department has not received a written notification for the compressor engines. Each failure to submit the initial startup date notification is a violation of 40 CFR 60.4245(c) and 40 CFR 63.6590(c), which language has been adopted as a Louisiana Regulation in LAC 33:III.3003 and LAC 33:III.5122, Specific Requirement No. 8 of Permit No. 0520-004640-V2, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).		
IV.	File Review June 27, 2022	The Respondent failed to submit to the Department the protocol for initial performance testing thirty (30) days before testing begins. Specifically, the owner or operator of an affected facility shall provide the Administrator at least thirty (30) days prior notice of any performance test, to afford the Administrator the opportunity to have an observer present. The Respondent submitted the protocol on December 13, 2021 and the Department approved the plans on December 16, 2021. However, the tests were conducted from December 21, 2021 through December 28, 2021, a period of eight (8) days from when the Department was notified of the testing and when the testing began. Failure to submit the protocol for initial performance testing thirty (30) days before testing begins is a violation of 40 CFR 60.8(d) and 40 CFR 63.6590(c), which language has been adopted as a Louisiana Regulation in LAC 33:III.3003 and LAC 33:III.5122, Specific Requirement No. 8 of Permit No. 0520-004640V2, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).		
V.	File Review June 27, 2022	The Respondent failed to submit the results of the performance testing within sixty (60) days from its completion. Specifically, owners and operators of stationary Spark Ignition Internal Combustion Engines (SI ICE) that are subject to performance testing must submit a copy of each performance test as conducted in 40 CFR 60.4244 within sixty (60) days after the test has been completed. The testing was completed on December 28, 2021, and the results were hand delivered to the Department on February 28, 2022, sixty-one (61) days after the tests were completed. Failure to submit the results of the initial performance testing within sixty (60) days is a violation of 40 CFR 60.4245(d), which language has been adopted as a Louisiana Regulation in LAC 33:III.3003,		

	Specific Requirement No. 8 of Permit No. 0520-004640V2, LAC 33:III.501.C.4, and La. R.S. 30:2057(A)(2).
ORDER	
Based on the foregoing, the Respondent is hereby ordered to comply with the requirements that are indicated below:	
I.	To take, immediately upon receipt of this COMPLIANCE ORDER , any and all steps necessary to meet and maintain compliance with the Air Quality Regulations. This shall include, but not be limited to; correcting <u>all</u> of the violations described in the "Findings of Fact" portion.
II.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER , a written notification of the initial start date for EQT 0001 – EQT 0007 as described in Findings of Fact paragraph III.
III.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER , a written report that includes a detailed description of the circumstances surrounding the cited violation(s) and actions taken or to be taken to achieve compliance with the "Order" portion of this COMPLIANCE ORDER . This report and all other reports or information required to be submitted to the Enforcement Division by this COMPLIANCE ORDER shall be submitted to the Department at the address specified in this document.
RIGHT TO APPEAL	
I.	The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this COMPLIANCE ORDER . This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this COMPLIANCE ORDER .
II.	The request for an adjudicatory hearing shall specify the provisions of the COMPLIANCE ORDER on which the hearing is requested and shall briefly describe the basis for the request. This request should reference the Enforcement Tracking Number and Agency Interest Number, which are located in the upper right-hand corner of the first page of this document and should be directed to the address specified in this document.
III.	Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this COMPLIANCE ORDER may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Division of Administrative Law (DAL) Procedural Rules. The Department may amend or supplement this COMPLIANCE ORDER prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.
IV.	This COMPLIANCE ORDER shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.
V.	The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this COMPLIANCE ORDER shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this COMPLIANCE ORDER becoming a permanent part of its compliance history.
VI.	Civil penalties of not more than thirty-two thousand five hundred dollars (\$32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this COMPLIANCE ORDER and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars (\$50,000) for each day of continued violation or noncompliance.
VII.	For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.
NOTICE OF POTENTIAL PENALTY	
I.	Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

If you would like to have such a meeting, please contact Kaylee Gleason at (225)219-2144 within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY .
III.	The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance in order to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violations to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY . Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify this statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.
IV.	The Department assesses civil penalties based on LAC 33:I.Subpart1.Chapter7. To expedite closure of this NOTICE OF POTENTIAL PENALTY portion, the Respondent may offer a settlement amount to resolve any claim for civil penalties for the violation(s) described herein. The Respondent may offer a settlement amount, but the Department is under no obligation to enter into settlement negotiations. The decision to proceed with a settlement is at the discretion of the Department. The settlement offer amount may be entered on the attached " CONSOLIDATED COMPLIANCE ORDER AND NOTICE OF POTENTIAL PENALTY REQUEST TO CLOSE " form.
