§5307. Reporting Requirements
A. An initial emissions inventory report is due on or before October 1, 1994, from the facilities within the specified categories that use the listed chemical(s) pursuant to LAC 33:III.5301. The report shall be submitted on a form or in an electronic format specified by the department to the Department of Environmental Quality, and include the following information:
   1. the company's name, physical address, mailing address, city and parish location, zip code, and site phone number;
2. the company's main or corporate office if other than the site location, street address, mailing address, city and parish, zip code, and office phone number;

3. the name of the contact who will be responsible for liaison with the department;

4. the category of the facility and the toxic air pollutant(s) emitted as listed in LAC 33:III.5112; Table 51.1 or 51.3 and chemical(s) listed in LAC 33:III.5301 that are used at the facility;

5. the emissions of toxic air pollutants for the previous calendar year from operations, accidents, and any other event(s) where emissions are generated;

6. the quantity of the listed chemical(s) consumed at the facility for the previous calendar year; and

7. a statement clarifying the extent and accuracy of the submitted report.

B. Subsequent reports will be due on or before July 1 of each year. The report shall be submitted to the Office of Environmental Assessment and include the information requested in Subsection A of this Section for the preceding calendar year.

AUTHORITY NOTE: Promulgated in accordance with R.S. 30:2054.
