### Enviroschool to offer session on emergency response in Monroe

BATON ROUGE – The Louisiana Department of Environmental Quality Enviroschool is offering a free session on DEQ emergency response. This session is in Monroe and will provide an overview of the role and activities handled by the Emergency Response Division of DEQ. Some of the topics will include what happens when there's an emergency situation, DEQ's role and response during emergencies and procedures regarding. The session is geared toward the general public and people working in the emergency response professions such as first responders from the fire department, police department or local offices of emergency preparedness.

The Enviroschool program provides training for communities, businesses, and other organizations on many regulatory topics. The goal of this program is for attendees to become informed about the environmental regulatory process and to maintain and improve environmental compliance.

Please register for this session below.

- Wednesday, December 5, 2012, 10:30 AM-12:00 PM
- Monroe Safety Center: 1810 Martin Luther King Blvd. (Off Highway 165 South) Monroe

To register, please go to [www.deq.louisiana.gov/enviroschool](http://www.deq.louisiana.gov/enviroschool).
